ODF FORESTRY ASSISTANCE STEWARDSHIP PLAN SIGNATURE PAGE

This stewardship plan describes the existing vegetation, soils, and wildlife/fisheries habitat on the property and addresses the opportunities for the protection of all natural resources while assisting the landowner in meeting his or her objectives for the management of the property. It provides guidelines for a sound strategy which reflects the landowner's management objectives and blends them with a land stewardship ethic. It focuses on the integration of all resources in the management of the property as a valuable legacy for future generations.

All plan elements listed below must be addressed during plan development. The amount of information and the level of detail included under each element will vary with the landowner and plan's purpose.
